Event Information

Directions to Holme Pierrepont

From the South: Turn off at junction 24 of the M1 take the A453 to Nottingham and then the A52 to Grantham. Follow signs to the National Water Sports Centre (NWSC).

From the North: Turn off at junction 26 of the M1 take the A610 and then the A52 to Grantham. Follow signs to the NWSC. The NWSC is 5 minutes from Nottingham train station.

Sat-Nav users are advised to use the name NWSC rather than the postcode as some Sat-Nav's will direct you to Colwick Race Course as opposed to the Centre. Download a [PDF version](#) of the directions to Holme Pierrepont. (You will need Adobe Reader to view this file).

Car Parking

Over the weekend, we will be using various car parks based around the (NWSC), please follow the Car Park signs and car parking stewards when you arrive. Due to the route of the event we will change car parks during the race to ensure that the athletes are not endangered by vehicles stationary on the course. Please note that we would recommend that no valuables are left in the vehicles at all and that anything valuable is kept in the secure lockers at the NWSC. All vehicles are parked at owner's own risk.

Prize Categories & Awards Ceremony

Prizes will be awarded to the top three male, female and in each of the age groups (listed below). The official awards ceremony, which will take place at Nottingham Forest's City Ground on Monday 8th July from 12 noon.

FEMALE	MALE	TEAM
Overall Winner / 2nd Place / 3rd Place	Overall Winner / 2nd Place / 3rd Place	Winners / 2nd Place / 3rd Place
Under 24	Under 24	
25 - 29	25 - 29	
30 - 34	30 - 34	
35 - 39	35 - 39	
40 - 44	40 - 44	
45 - 49	45 - 49	
50 - 54	50 - 54	
55 +	55 - 59	
	60 - 64	
	65 +	

Spectators – Where to go

NWSC – the Centre will have indoor and outdoor catering units and children's entertainers and small fairground rides.

The NWSC offers fantastic viewing of the Swim & Run routes – Perfect viewing areas are available around the National Water Sports Centre, including the grandstand immediately next to the finish chute. For those wishing to follow the swim, a grassed bank runs along both sides of the lake. Spectators are welcome and encouraged to follow the swim from the grassed banks, however, please be aware you need to stay off the internal road as this is the start of the bike route.

We will produce a Spectator Guide in due course which will highlight where are the best places to watch the event, including how to take advantage of our free Spectator Buses.

Race Registration - Friday 12:00 – 17:00 / Saturday 10:00 – 17:00: NO REGISTRATION ON RACE DAY

Competitors can register at the event on either Friday or Saturday, but not on Sunday – Friday (5th) 12:00 – 17:00 or Saturday (6th) 10:00 – 17:00 – THERE WILL BE NO REGISTRATION OR RACKING ON SUNDAY 7th JULY. No registration will take place after 17:00 on Saturday (6th) and your bike must be racked by 17:15. Please ensure that before registering you know your race number. This can be found either from the event start list on our race website or on the board outside the registration area

At registration you will be issued with your security wristband & then you will collect your race envelope. This will contain 2 x race numbers and 2 x stickers, one for your frame and the other for your helmet. ***It is essential that your helmet sticker is attached to the right hand side of your helmet as this is also a timing chip which will be used to record your bike splits.*** Please keep these safe, as they are required to allow entry into the transition area. You will also be issued with your standard timing chip, when you collect your timing chip it will be checked to ensure your details are correctly stored. Do not lose your timing chip as you will need it to race.

Event Information

Following this you will be given your three transition bags. These bags will be as follows; **Change Bag** – for anything that you want to keep inside the transition storage marquee, normally your pre & post event clothing. **Swim / Bike Bag** – pre event, this will be for your bike kit & clothing. After the swim, you will put your wetsuit, swim hat & goggles inside. **Bike / Run Bag** – here you will keep your running shoes, clothing & hat and any specific nutritional products you wish to take onto the run with you.

The final desk will be for 'Special Needs' bags, if you wish to use a Special Needs bag, then please hand your own 'Special Needs' bag into the final desk. The 'Special Needs' feed will be based at feed stations 4 / 6 passed twice at approximately 60.5 and 83.5 miles on the approach to Kilverton Village. Any bags that are supplied will return to Race HQ the following day. If you wish to collect your bag, then please collect it from the registration marquee on Monday morning. ***Please don't leave high value items with your special needs bags (eg tubs), we will do our best to return them but can't guarantee it.***

BTF Licences

Please note that all athletes will be required to show some form of photographic identification - 2012 BTF Race Licence – or other, photocopies are fine.

If you have applied for a BTF Day Licence when entering, this will be issued to you at registration. If you did not apply for a BTF Day Licence, then you will be required to show your 2013 British Triathlon Federation Race Licence (or overseas licence). If you are unable to do this, for any reason, then you will be required to purchase one for £5 before being allowed to register. There will be NO exceptions to this ruling. If you have a 2013 British Triathlon Federation Race Licence, please bring it with you.

Race Briefings – Saturday 11:00, 13:00 & 15:00

There will be 3 x 45 minute race briefings. Attendance to a race briefing is Mandatory; however, you get to choose which one you come to. The briefings will take place in the Sports Hall, which is in the building which connects directly to main foyer (it is the 2010 & 2011 registration area for returning Outlaws).

Please ensure you attend as the briefing will detail all safety issues of the event, including any final course changes which the organisers may have been forced to make. It will also be the opportunity for athletes to ask questions to the Race Director.

Changing Facilities

The venue has adequate changing facilities and hot showers, which are positioned in the main building and are clearly signed.

Race Start 06:00

The race will start with one single wave at 06:00. The start will be a deep water start & athletes will be given warnings at 5 mins, 3 mins, 2 mins & a final warning at 1 minute to go. The start will be via a starter's horn. We recommend slower swimmers start on the left side of the lake (swim exit side).

Transition Area

The transition area will be positioned at the bottom end of the lake in front of the boat stores. The transition area will be made up of 2 separate areas:

1. A large change marquee for use between the swim to bike and bike to run. This area will have toilets and a storage unit for the athletes 'transition bags' which must be used for wetsuits, all bike kit including helmet and all run kit, including any additional nutrition. There will also be a table for any misc items that might need storing during the swim, such as glasses, hearing aids, etc.
2. A standard bike transition area where athletes' bikes will be securely stored overnight on the Saturday and during the swim & run sections. You are not allowed to leave anything with your bike, unless it is properly attached, (pump, water bottle, spares bag, etc) other items such as helmets must be kept in your SWIM / BIKE bags. All items that you wish to use for the run must be kept in your BIKE / RUN bag.

The Team Event

Only one person is required to register for the whole team, but will be required to either show ALL of the 2013 BTF Race Licences or pay for the relevant amount of day licences.

All relay team tags will take place in the following areas:

1. Swim to Bike – In the corner of the standard bike transition area, directly by the swim exit. Swimmers are not required to remove their wetsuits before tagging.
2. Bike to Run – at the Bike Drop Point

All tagging will take place by passing the Timing Chip to the next team member.

Event Information

Electronic Timing and Live-to-Web Results

To ensure accurate times and results, every competitor will receive 2 timing chips to use whilst racing. One standard ankle strap chip and one disposable helmet sticker chip. Please ensure that you do not cross the mats, which register your times except in the case of when you are competing. To avoid this problem do not climb over barriers as they are out in place to prevent access from these areas prior to the event. Failure to comply with this request will trigger your timing chip and will invalidate your result.

We will be taking standard swim, transition 1, bike, transition 2 & run splits, we are also taking the following splits with the approximate distances:

We will be taking standard swim, transition 1, bike, transition 2 & run splits.

All splits and finish times will be live-to-web as the event is taking place, friends and family can track your progress by visiting our [timing portal](#).

The Swim 2.4 Miles

The swim will take place in the lake at the National Water Sports Centre. All swimmers will be required to pass over a check mat before starting the swim. The check mat will be positioned on the left hand side as you look at the lake from transition. All swimmers will need to pass the check mat by 05:50, this point will be open from 05:30. The swim will start in the water using the whole width of the lake. This means that the swim start will be approximately 90 metres wide. There are 4 separate bays in which you can start. We are recommending the following for the 4 bays. Bay 1 – swimmers under 60 minutes / Bay 2 – swimmers between 60 – 80 minutes / Bay 3 – swimmers between 80 – 100 minutes / Bay 4 – swimmers over 100 minutes.

The very simple swim route is swim down towards the top end of the lake for just less than 1.2 miles, swim across for 50 metres, then back up to the start for a further 1.2 miles. Due to the shape of the lake, you will all times be only a few metres from the water's edge. There are three different colour swim hats, males, females & teams. There will be a full swim safety team on the water, with a medical support team on board. If you require any assistance, please make yourself known to one of the safety team. The water safety team will then help & support you. If required, one of the safety boats will transfer you back to the start, if this happens, then you will have to stop & withdraw from the race. If you require any help at all, then please make as much noise as possible to attract attention. You are not allowed to hold onto any safety boats for a rest. If you are seen to be struggling or swimming on your back, you will be rescued into one of the safety boats & then returned to the start. Note that you will be swimming into the sun during the outward stretch, we strongly recommend that you wear goggles with mirrored or smoked lenses.

Once you have completed the swim course, you will exit via the slip way under the swim exit gantry. Please be careful as you exit the water so that you do not slip. You will pass over a timing mat & then continue onto the perimeter road where you will have a 40 metre walk/run to the entrance the transition change marquee. Please collect your SWIM / BIKE bags before proceeding into the changing area. Inside there will be private changing areas for Males and Females.

All competitors must have started their cycle by 2 hours 15 minutes. After this, the transition exit will be closed & any athletes still within the swim or transition will be stopped.

The Bike 112 Miles

The first section of the bike course is around the Perimeter Road of the National Water Sports Centre, this section will give you a chance to organise yourself after the swim section, however, please be aware that even though the road is closed to traffic, spectators (and ducks) might accidentally walk onto the course. Once you have left the National Water Sports Centre, you will join normal highways.

During the 112 mile bike course there are some completely closed road, semi closed roads & fully open roads. Some junctions on the course will have traffic management in place, which will allow the competitors to pass through with priority over the other vehicles on the highway. However, we are unable to be 100% confident that vehicles will always stay within the law, so please proceed with caution at every junction. If for reasons of safety, we ask you to stop or slow down, then please do so. There are also junctions, that you will be required to make your own judgement on whether it is safe to proceed. On certain parts of the course, there will be traffic cones to protect you from other vehicles. Please note that at times you will be required to ride inside the cones, with the cones on your right.

There will be a large number of National Escort Group riders on the course, these will ensure that all competitors are riding within the rules of the BTF & also act as communications points for the race organisers. If you are in trouble then please flag down a National Escort Rider or stop at an event marshal, both should have communications with Race Control. There will be two support vehicles travelling around the course. See further information for feed stations & toilet points.

Please note that competitors should not throw any litter (including water bottles) onto the course at any point, we ask that you keep all of your litter. Competitors caught throwing litter will be disqualified as well as being named and shamed on the results.

Due to traffic regulations, all road closures & traffic management will stop at 16:00 or 10 hours into the race. This means that all athletes must have started the run section by 16:30 or 10 hours & 30 minutes into the race. After this, the transition exit will be closed; any athletes still on the bike course or in transition will be stopped. If we believe that a competitor is going to miss the cut off time, then we reserve the right to stop & will stop competitors during the cycle section.

Event Information

The Bike - Feed Stations / Maintenance / Toilets

The Bike - Feed Stations / Maintenance / Toilets

Feed stations will all contain the following items:

- Bottles - Water
- Bottles - High5 Energy Source: citrus
- Bottle drop for empty bottles
- Gels - High5 Energy Gels: mixture of flavours
- Bananas
- X 2 Toilets

Each feed station will also contain some basic bike maintenance equipment, as will the 2 bike support vehicles. However please note we cannot guarantee stock levels or compatibility.

Special Needs Bags will be located at feed stations – ***locations to be confirmed.***

Feed station locations to be added here.

You are not allowed at any point during the event to drop litter. At each of the feed stations, there will be dustbins for rubbish and bottles. Anyone seen dropping litter will be disqualified.

The Run – 26.2 Miles

The run course has been measured by UK Athletics & is a certified marathon. The course will consist of 4 laps of the lake and 3 out and back sections along the river towpath to County Hall. There will be a wristband collection point on the perimeter road of the lake, you should collect one every time you pass it – 4 bands in total. You will complete the run section in the following order:

1. Circuit of the Lake
2. Out and Back to County Hall
3. Circuit of the Lake
4. Out and Back to County Hall
5. Circuit of the Lake
6. Out and Back to County Hall
7. 75% circuit of the lake, filtering into the finish funnel

There are a number of places of interest along the run route, The City Ground, home of Nottingham Forest Football Club is on the course and Trent Bridge, the legendary cricket test match stadium is just off the course, to mention just two. You will be given a wristband at the end of each out and back from County Hall.

Please remember to run on the left at all times & pass other runners as quickly as possible. None of the footpaths are closed for your exclusive use, however, we will be signing along the full length of the route asking the general public to keep the paths clear for runners. Remember that pacing is not allowed during any stage of the Outlaw, particularly on the run. Please also avoid walking and chatting in groups as this holds up people behind you.

We ask that no litter is left along the route & that all athletes use the dustbins provided. Any athlete seen littering will be disqualified. (Remember, you can dispose of litter at official feed stations). There will be a timing mat at the County Hall turnaround point, which we will use to ensure all competitors complete the full distance. There will be lighting units along the course to ensure that all competitors are safe at all times, including when running in darkness.

The final cut off time is 23:00, if we believe that athletes are unable to complete the full course within the cut off times, athletes will be withdrawn after Section 5 above i.e. for they begin the final out and back to County Hall.

Event Information

The Run - Feed Stations & Toilets

Athletes will pass 19 feed stations / toilets along the run course. The feed stations / toilets have been plotted to ensure that athletes are never more than approximately 1.7 miles from a feed station / toilet. As the table below displays we will have 4 feed stations / toilets on the run course. The stations will be clearly marked to ensure that athletes can see the stations.

Each feed stations positioned along the run route, they contain the following items:

- Cups of Water – Clear
- Cups of High 5 – White
- Coke
- High 5 Energy Gels: mixture of flavours
- High 5 Caffeine + Gels: mixture of flavours
- High 5 Zero Tabs
- Bananas
- Oranges
- Jaffa Cakes
- Crisps
- X 2 Toilets

Race Rules

The event will be held under the rules of the British Triathlon Federation. Under these rules it is mandatory that all competitors must wear an approved helmet and that all cycles must be in a road worthy condition and that all competitors are insured by third party civil liability insurance – BTF Members are insured for all training and racing throughout the year as part of their membership package, and all other competitors will be required to purchase a BTF Day Licence. If you require further information about Race Rules, please visit www.britishtriathlon.org or telephone the British Triathlon Federation on 01509 226161.

Event Information

Age Restrictions

In line with British Triathlon rules, to be eligible to take part in this event competitors must be at least 18 years old on or before the 31st December 2012. For more information take a look at the British Triathlon Age Guidelines.

Massage

Pre Event - there will be massage available on the main event area on Saturday.

Post Event - in the Finish Marquee there will be a full team of trained masseuses to look after all the Outlaws!!

Medical Cover

The safety of our competitors is paramount. Onsite during the event will be a specialist medical company set up to supply the highest calibre of comprehensive medical cover to sporting events such as this. On the day there will be a team of first-aiders, nurses, state registered Paramedics, and British Triathlon motorbike marshals on the cycle section. If before, during or after the event you feel that you require any type of medical care, please do not hesitate to contact an event marshal.

Medical Conditions

We request that all competitors write their next of kin & contact details on the back of their race numbers using a waterproof pen. Also if you have any type of medical condition or are taking any type of medication please write a large 'MC' on the bottom left of your race number, please write your medical condition fully on the back of your number. This will only be used in the event of you being involved in an accident.

Race Numbers

Race Numbers must be worn on the back during the bike & the front during the run at all times. Numbers must be pinned at all four corners. Number bands are allowed but it is recommended that two be worn. One number band for the top of the number & one number band for the bottom to stop your number creasing up and becoming unreadable. NB. Please do not forget to bring safety pins.

Course Reconnaissance

The bike and run course will be marked from Saturday morning. However the traffic management will be implemented during Saturday evening / Sunday morning, so please be careful if you are riding any part of the course it will be open for public use, particularly the first section on the A52.

Penalties & Appeals

ALL penalties issued by the British Triathlon Race Referee will be displayed on a Penalty Board at the entrance to the Registration Room. Appeals against these penalties must be made in writing to the race referee within one hour of a penalty being notified and be accompanied by a fee of £15.00 refundable if the appeal is upheld. It is your responsibility to check this Penalty Board.

Results

Times will be displayed on the plasma screen in the main foyer area. Provisional results will available to download on our website the Monday following.

Withdrawals

Please read full Terms & Conditions before entering the event.

Withdrawal Dates Outlaw Triathlon – 7th July 2013

- Up to 26 weeks out refund minus £25 admin charge
- 12 - 26 out refund minus £50 admin charge
- 6 – 12 weeks out refund minus £75 admin charge
- 4 – 6 weeks out refund minus £100 admin charge
- Up to 4 weeks out no refunds or race credits

Event Office Closure

The Event Office will be closed from Wednesday 3rd July at 17:00.

Please do not send emails regarding this event after this time, as we will be on site setting up and unable to answer your messages. Please instead ask your questions at the event registration area.

Race Volunteers – Please Help

No event like this can run smoothly without the help of many marshals. If you have friends or family that will be supporting you at the event, why not ask them if they would be willing to give up a couple of hours to help marshal. All marshals will receive an event shirt, food & drink. If you would like further information about becoming a race marshal please email adam@onestepbeyond.org.uk.

Lost Property

Please note that we cannot guarantee any property used/lost at the event, including special needs bags, will be returned post event. Any property found by the Events Team will be held at the One Step Beyond office for 4 weeks. Items can either be collected in person or returned at a cost of £15.00 per item.

OUTLAW PARTNERS

Cancer Research UK - Official Charity

By supporting Cancer Research UK you will be helping us find new ways to prevent, diagnose and treat cancer. Cancer Research UK is at the heart of cancer research, funding the work of more than 4,500 researchers, doctors and nurses throughout the UK.

- Prevention - we are at the forefront of raising national awareness on the issue of cancer. Campaigns such as the Smoke-free Workplaces campaign has helped to save an estimated 600 lives a year. By promoting a healthy and active lifestyle, we can help significantly reduce cancer rates in the UK.
- Diagnosis - your money helps us to fund our three national screening programmes for bowel, breast and cervical cancers. Screening for cancer aims to find cancers as early as possible - when the chance of cure is highest. Sometimes screening programmes can find changes that would lead to cancer if they were not treated.
- Treatment - Cancer Research UK is at the heart of pioneering new clinical trials, aiming to find safe treatments with fewer side effects, to help patients feel better quicker. Our website CancerHelp UK also allows us to provide helpful information to cancer patients and their families, allowing them access to all the information and support they need.

We can't wait to welcome you on to the team. Together we will beat cancer.

Total Fitness Nottingham – Retailer Partner

TFN has been 220 Triathlon Magazine's retailer of the year for the last six years. They're the official Outlaw retailer and you can order from them online. TFN will also be doing bike checks at the Outlaw Expo. This includes checking the following; gears, brakes, wheels, headset, lube, pump and check tires – might be the best few quid you spend all weekend! www.tfn.uk.com

High 5 - Nutrition Partner

High 5 will be providing nutrition around the route and on the finish line. EnergySource Citrus and Energy Gels in a mix of flavours will be around the route. Fuel your way to success! www.highfive.co.uk

The Triathlon Coach – Partner In Crime

The experts in coaching triathletes, check out Outlaw training programmes online. www.thetriathloncoach.com

Further partners will be added in due course.

Thanks

It takes a great amount of work to organise an event such as this. Special thanks go to our Team of Officials that help to organise all of our events, Nottinghamshire County Council, Nottingham City Council, Rushcliffe Borough Council, all of our sponsors and finally you the athlete.

Further Information

Any questions related to the event can be answered by emailing outlaw@onestepbeyond.org.uk

You can chat to other outlaws and ask questions via [www.Facebook.com/OutlawTriathlon](https://www.facebook.com/OutlawTriathlon)

You can also follow us on twitter via [@OutlawTriathlon](https://twitter.com/OutlawTriathlon)

All the information here is believed to be true at the time of going to press. Changes maybe required ensuring that the event is organised safely and within the law, these changes will be made without notification. The organiser has the final decision. This information is Copy-right to One Step Beyond Promotions, reproduction of this text or style is forbidden.
