Provisional Event Start Times

Off Road Duathlon	09:00
2km Fun Run (Up to 15yrs old)	11:00
5km Trail Run	12:00
10km Trail Run	12:00

Electronic Timing

When you receive your race pack you will find your race number(s) inside. We are using the latest RFID chip timing system to time the race and your 'chip' is already attached to the back of your race number.

The chip that we are using does not contain a battery and is fully biodegradable and as such does NOT need to be handed in at the end of the race.

To help ensure that we capture your time there are 3 things you need to do:

1. Wear your race number visible to the front at all times
2. Do NOT tamper with the chip in any way
3. Attach with two pins or one Number Band your race number at the top corners only – DO NOT ATTACH THE BOTTOM

Using this cutting edge technology will mean results and category positions will be updated live as competitors cross the finish line. There will be a plasma screen providing live results to all competitors and spectators at the finish area. Please ensure that you only cross the timing points, which register your times, when you are competing. To avoid this problem do not climb over barriers as they are put in place to prevent access from these areas prior to the event. Failure to comply with this request will trigger the chip and will potentially invalidate your result.
