SUNDAY 17TH APRIL 2016
MIDLANDS SPRINT TRIATHLON SERIES – RACE 1

PLEASE NOTE THAT ALL ATHLETES WILL BE REQUIRED TO SHOW SOME FORM OF PHOTOGRAPHIC IDENTIFICATION

PLEASE READ ALL OF THIS RACE INFORMATION

Welcome to the 20th Southwell Sprint Triathlon. This event always attracts a large field of novice and experienced competitors. The event will have electronic timing to ensure that everyone receives accurate & immediate results. Please read ALL of this race information very carefully. We have done all that we possibly can to ensure that everyone has an enjoyable and safe event. Your help in following these guidelines would be greatly appreciated.

In 2016, the Southwell Triathlon will be the first event of our Midlands Sprint Triathlon Series. There are 3 events in total meaning competitors must complete all of the events to be eligible to win their relevant age category. We expect the series to grow and become even more competitive than last year. For full series details please visit the front page of www.onestepbeyond.org.uk and click on the series button.

Midlands Sprint Triathlon Series

The second event will be held at David Lloyd Lincoln on the 1st May with the final event of the Midlands series will be held at Woodhall Spa, Lincolnshire on the 26th June 2016. Based at a small purpose built camping and caravanning complex, you will find a perfect mixture of relaxation and recreation. Woodhall Spa offers all that you need to unwind for a weekend.

Confirmation of Entry

Competitors are requested to check on the list of entries posted on the web site to confirm that they have been successful in their application. One Step Beyond cannot be held responsible for loss of entries in the post and strongly advises competitors to enter on line if possible as this is a more secure entry system.

BTF Race Rules

You are recommended to familiarise yourself with the British Triathlon rules and regulations. Under these rules it is mandatory that all competitors must wear an approved helmet, that all cycles must be in a road worthy condition and that all competitors are insured by third party civil liability insurance – British Triathlon Members are insured as part of their membership package, and all other competitors will be required to purchase a Day Licence. If you require further information about Race Rules, please visit www.britishtriathlon.org or telephone the British Triathlon Federation on 01509 226161.

Calf Guards:

We have been asked to highlight that BTF Rule 9.1 states “competitors shall use no aids other than caps, goggles, nose clip and costume.” It has been deemed that Calf guards are not allowed to be worn in a non wetsuit swim. You will be asked to remove them prior to the swim if you are wearing any, if you refuse we have been advised that you will be disqualified.

Littering the Course – This is not acceptable

If you can carry it full, you can carry it empty!!

We are lucky enough to organise events that take in some stunning scenery on the courses for you to enjoy. Let's leave them as we find them!! If you use gels or other nutrition supplements during your race please either bring it back to transition with you or make use of the bins at a drinks stations. If you can take it out on the course with you full, you can bring it back empty.

It is also an offence under BTF rules to litter so you will be penalised!

Let's set an example and keep our courses clean and leave them as we find them.

BTF Licences

All athletes MUST produce their race licences at registration. If you forget your licence, or you have not paid the BTF levy due with your application, you will have to pay £5 for a BTF day licence at registration.

Age Restrictions

In line with British Triathlon rules, to be eligible to take part in this event competitors must be at least 15 years old on or before the 31st December 2016. In addition anyone under 18 years old must have parental permission to take part in the event. For more information visit: <http://www.britishtriathlon.org/uploads/files/Competition%20Rules%202006.pdf>.

What Will You Need?

As this event attracts all types of athletes, from complete novices to international standard athletes, you will see bikes worth from £25 to £5000. There are certain items which you will need: a swimming costume or swimming trunks, swimming goggles are also highly recommended but not compulsory. A road worthy bike, an ANSI/BS approved cycling helmet: these are available from Total Fitness prices start from around £30.

All other items such as elastic laces, specific triathlon clothing and tribars are not a necessity but will help you on the day. For further advice please contact Total Fitness on 0115 9222226. On the day Total Fitness will be doing 'Bike Checks' for £10. Please arrive early at the Total Fitness stand as it is expected this service will be popular.

Directions to Southwell Leisure Centre

Southwell is approximately 12 miles northeast of Nottingham City centre. The leisure centre is situated south of the town centre on Nottingham Road (A612) and is clearly sign posted.

Car Parking

As we have restricted car parking at this event, we would encourage you to car share wherever possible.

There will be 3 primary car parks for this year's event, situated at the Southwell Rugby Club, the Southwell Leisure Centre and at Nottingham Trent University's Brackenhurst Campus where there are 3 separate car parks. The Brackenhurst Campus is 750 metres away from Southwell Leisure Centre and will take approx. 5 minutes to walk, please allow for this.

PLEASE follow the instructions of the Car Parking Stewards as we need to follow a strict parking plan to ensure we can make maximum use of the parking we have available.

The most direct route to registration is not via the main road (the bike course) but down a small road by the cricket pitches. When approaching, please follow the instructions of our race marshals. Please remember that the approaches to the car parks are on the cycle course, so give way to cyclists.

PLEASE DO NOT PARK CARS ON THE MAIN ROAD

Race Registration: 06:45 – 11:00 - TBC

All competitors will need to register on the morning of the race. We recommend you register approx. 1 hour before your start time, but no later than 11:00. Any competitors that have not registered by 11:00 will lose their place in the event.

Race Registration will take place in Southwell Rugby Club in 2016.

Please ensure that before registering you know your race number. This can be found either from the competitors entries list on our race website or on the board by the registration area. First you must visit the 'Triathlon England Day Membership Desk'. If you have applied for a Triathlon England Day Licence when entering, this will be issued to you at this point. If you did not apply for a Triathlon England Day Licence, then you will be required to show your 2016 Triathlon England/Home Nations Race Licence. If you are unable to do this, for any reason, then you will be required to purchase one for £5 before being allowed to register. There will be NO exceptions to this ruling. If you have a 2016 Triathlon England/Home Nations Race Licence, please bring it with you. **Please note that all athletes will be required to show some form of photographic identification if you do not have a 2016 Triathlon England/Home Nations Race Licence.** This is to stop people exchanging entries & ensures that all competitors are insured to compete in the event.

Continue forward and find the appropriate numbered table to collect your security wrist band & race envelope. This will contain 2 x race numbers and 1 x frame sticker. Please keep these safe, as they are required to allow entry into the transition area. Next collect your event shirt. Finally, collect your Timing Chip, when you collect your Timing Chip it will be checked to ensure your details are correct. Do not lose your Timing Chip as you will need it to race.

Transition Area

The Transition Area will be situated on the Rugby Club field and is a fully secured area for competitors only. This is where you will keep your bike during the swim and run sections. To get into the Transition Area you must show your security wrist band & race number at ALL times. You will also be asked to show both your security wrist band, race number & bike number when taking your bike out. This is for your security. Please understand this will cause queues during peak times, but it is for your benefit. **The Transition Area will not close during the event, so please understand that if you are not racing that you will be asked to make a clear way for racing competitors. After you have finished, please remove all of your belongings ASAP.**

When racking your bike you will see an arrow on your racking sticker (as shown on the left). Please ensure, whether you rack by your saddle or handlebars, that your bike sticks out on your side of the racking. By racking this way everybody will have more space in transition.

The Team Event

The Whole Team is required to register for the event. You will all be required to show your 2016 Triathlon England/Home Nations Race Licences, for those teams that have not paid for their Day Licence(s) when entering you will be required to purchase a Day Licence at a cost of £5 per person. All relay team

tags will take place by the team's bike racking position, inside the transition area. The swimmer (must be at least 9 by the 31st December 2016) will finish their swim, exit through the fire doors and then run to tag their team cyclist (who must be at least 15 by the 31st December 2016) inside the transition area. The cyclist's bike must stay racked until the swimmer has tagged the cyclist. When the team cyclist finishes, he/she must re-rack their bike before tagging the team runner (who must be at least 13 by the 31st December 2016). All tagging will take place by passing the Timing Chip to the next team member, which needs to be attached around the left ankle.

Race Briefings: 07:15 & 10:30

These will take place inside the transition area. If you are unsure about anything please attend. Race Briefings will inform you of the last minute route changes and safety points. If you have any questions or queries on race day, please ask them after the Race Briefings.

Race Start

The first wave of competitors will start at approximately 07:30, the timekeeper will start 5 swimmers at 2-minute intervals & the last competitor will start at approximately 12:00 – 12:30.

Midlands Sprint Triathlon Series

In 2016 the Southwell Triathlon will be the second event of our Midlands Sprint Triathlon Series. There are 3 events in total meaning competitors must complete all of the events to be eligible to win their relevant age category.

The first event will be held at the award winning David Lloyd, Burton Waters, Lincoln on the 17th April and the final event will be held at Woodhall Spa, Lincolnshire on the 26th June 2016. Based at a small purpose built camping and caravanning complex, you will find a perfect mixture of relaxation and recreation. Woodhall Spa offers all that you need to unwind for a weekend.

Electronic Timing

Providing fast and accurate results is a critical part of any race. At **Jaguar Timing** we use a RFID based timing system. Each athlete is given a "Timing Chip" that generates a unique signal when it crosses through an antenna field. By using a database to assign each participant's personal information to each chip, timing software can easily calculate each participant's time and finish place.

To maximise the success of getting your time there are a few things required:

- Wear the chip!
- When attached to the strap wear it just above your LEFT ankle with the chip arrow pointing upwards. Our antenna fields will be positioned about this height, if you wear it anywhere else it may not be read.

When fitting your chip some people find it useful to smear a small amount of lubricant around that area to prevent any chaffing. We don't need you to run over bulky mats anymore and don't worry if you don't hear it make a noise. If you have run between the antenna and worn your chip correctly we will have a time for you. Electronically capturing each finishers time allows us to continuously post preliminary provisional results on-site during the race in a number of ways.

At the moment these triathlon chips are re-usable and as such need to be handed back at the finish of the race or before if you have to retire early. If you forget, return your chip to our office within a week & there will be no repercussions. If not, then you will be charged £10 for losing the timing chip.

Race Numbers

Race Numbers must be worn on the back during the bike & the front during the run. Number bands are allowed but it is recommended that two be worn.

NB. Please do not forget to bring safety pins

The Swim – 400 Metres

The swim will take place in the 25 metre indoor heated pool at Southwell Leisure Centre. Swim 16 lengths – 400 metres, you cannot walk along the bottom of the pool. Please arrive on poolside approx. 10 minutes before your start time. The timekeeper will start waves of 5 swimmers every 2 minutes. Your start time has been worked out from your estimated swim time that you filled in on your entry form. By doing this it is hoped that you will be with competitors of a similar standard during the swim section. There will be other competitors in the same lane during the race, it is the reasonability of the faster swimmer to overtake, but also remember that it is much easier to swim behind someone. It is your responsibility to count your own 16 lengths. There will be a marshal on poolside to randomly check that competitors are swimming 16 lengths. You will be supplied with a swim hat, please wear this to help the marshal count your lengths. If you wish to get changed for the bike and run section after the swim, you may either use the swimming pool changing rooms or change inside the transition area - nudity is not allowed.

Please Note: Competitors only allowed on poolside.

The Bike – 17.6KM

From the swim, exit through the double fire doors at the bottom end of the pool, you will then turn right to the transition area. Please be careful on this 50 metre run to the transition area, it is possible that there will be vehicles on the course. The surface is a mixture of stone & grass, we recommend that people wear shoes for this section to protect their feet. Before you start, you will need to set up your transition - all the kit you require during the race. This will include your cycling helmet, a bike in road worthy condition, shoes for cycling and running, your race numbers plus any clothes you wish to put on after the swim.

It is important that you understand all of the entrance and exit points of the transition before you start. There are also specific points where you must mount and dismount your bike. An important rule that must be adhered to: "competitors are required to fasten their helmet before touching their cycle in the transition area".

The cycle route is very easy to follow. From leaving the Rugby Club field, turn right onto Park Lane then left and take the A612 towards Lowdham. This first

short section will be extremely busy, please proceed with caution & listen to all marshals instructions, including those of the Traffic Management Company. The first mile is immediately uphill, so it will be important to keep in a low gear. The first 3 miles are very lumpy, uphill followed by downhill until you reach Thurgarton.

When reaching Thurgarton, please ride very carefully down the steep hill. There is a dangerous junction at the bottom. From here the course is completely flat until you reach the Lowdham traffic island. Turn round and head straight back to Southwell. All of the roads that we use for the cycle section are open to the public; please adhere to all rules of the Highway Code, including 30 MPH speed limits. Please note that you are not allowed to take pace from other competitors during the cycle section, this means that you are not allowed to ride closer than 7 metres to another unless overtaking. You only have 30 seconds to overtake another competitor.

When you reach the end of the bike section, turn back into Park Lane, dismount your bike at the appropriate point, re-rack your bike back into your original racking position and then take your helmet off.

The Run – 5KM

On leaving the transition area, you will make your way up the field through the rugby club car park, please take additional care here as the rugby club car park will be in use. From here follow the race marshal's directions onto the quiet country roads surrounding the Leisure Centre. The first 400 metres of the run course is uphill, known now as the Southwell Slope. The following 800 metres are flat along single-track farm lanes, before turning round and retracing the route.

The route will be **two out and back laps**. The turn round point at the end of the first lap is on the rugby club field, there will also be a water station positioned here. At the end of the second lap turn right towards the finish. Turn round points will be marked by RUN TURN signs, and race marshals. Please be aware that even though these lanes are very quiet, it is possible that cars will be using them. Always proceed with care, especially on some of the blind bends. When you have finished, please remember to return your timing chip to our officials.

Course Reconnaissance

The bike and run course will be set up from Saturday afternoon.

Medical Cover

The safety of our competitors is paramount. Onsite during the event will be Cascare, a specialist company set up to supply the highest calibre of comprehensive medical cover to sporting events such as this. On the day there will be a team of medics, EMT's and Advanced EMT's plus Accident and Emergency response vehicles equipped with manual defibrillator / cardiac monitors, ventilators, pulse oximetry and medical gases. There will also be British Triathlon motorbike marshals on the cycle section. If before, during or after the event you feel that you require any type of medical care, please do not hesitate to contact an event marshal.

Medical Conditions

We request that all competitors write their next of kin & contact details on the back of their race numbers using a waterproof pen. If you have any type of medical condition or are taking any type of medication please write a large 'MC' on the bottom left of your race number. Please write your medical

condition fully on the back of your number also. This will only be used in the event of you being involved in an accident.

Penalties & Appeals

ALL penalties issued by the British Triathlon Race Referee will be displayed on a Penalty Board at the entrance to the Registration Room. Appeals against these penalties must be made in writing to the race referee within one hour of a penalty being notified and be accompanied by a fee of £15.00 refundable if the appeal is upheld. It is your responsibility to check this Penalty Board.

Prizes

There will be prizes in the following age categories: **TBC**

Presentation will take place within 30 minutes of the last competitor finishing. You must be in attendance to collect your prize. Prizes will not be sent out after the event.

Results

Times will be displayed on the plasma screen next to the finish. Provisional results will be available to download on www.onestepbeyond.org.uk the Monday following the event.

Total Fitness Nottingham

Total Fitness Nottingham will be in attendance for any last minute triathlon purchases that you might require. If you have any specific requests please contact them on 0115 9222226 or www.tfn.uk.com

One Step Beyond cannot be held responsible for loss of entries in the post and strongly advises competitors to enter on line if possible as this is a more secure entry system.

Race Volunteers – Please Help

No event like this can run smoothly without the help of many marshals. If you have friends or family that will be supporting you at the event, why not ask them if they would be willing to give up a couple of hours to help marshal. All marshals will receive an event shirt, food & drink. If you would like further information about becoming a race marshal please email

info@onestepbeyond.org.uk you do not require any previous experience or knowledge on triathlon to become a race marshal; any training required will be given on race day.

Other One Step Beyond Events

One Step Beyond Promotions will be organising a number of other multi-sport and running events throughout 2016. These range from children's fun runs and novice pool triathlons to high profile open water triathlon events.
